**PRESS RELEASE**

AUGUST 1, 2024

**SEWER MORATORIUM LIFTED**

Dear Princeton Citizens,

I am happy to announce the sewer moratorium imposed on the Town of Princeton has been lifted, effective immediately. It was through the diligent efforts of Senator Benton Sawrey, Representative Larry Strickland, Town of Princeton Administration and Board of Commissioners, TRC Engineering, and NC DEQ that the moratorium was removed. While the sewer moratorium was imposed, growth in our town was severely limited. We are looking forward to resuming steady growth and welcoming new neighbors to Princeton.

Thank You,

Mayor Stacy Johnson
